BREV. DR. NEHERIAH ADAMS READ
"A NEW TESTAMENT."

BY DR. ROBERTSON.—READ BY DR.
ADAMS.

Observations on the New Testament.

This interesting oration was held

in the lecture room of Dr. Adams' church, on Sunday evening, March 25, 1859.

It was often referred to as being interesting,

and well received.

Dr. Adams' audience, however,

was large, and the interest

and attention given to it was almost

entirely of the present and former members

of his church.

Great interest was manifested in the

lecture room by Dr. Adams' audience.

In conclusion, Dr. Adams' audience

gave him a vote of thanks, and

the following resolution:

"Resolved, That we, the people of

the church of Jesus Christ, in this city,

do hereby thank Dr. Adams,

for his services in the pulpit of

the church during his ministry,

which was most signalized by his

eloquence and ability.

He has been a good and useful

member of our church for many

years.

During this period there have been

changes in the pastor of the church.

The number of the church has

been increased.

The present number of church members

is 55.

Three churches in Boston have been

founded by Dr. Adams.

The number who have obtained a

thorough education has increased

from 20 to 30.

The number of the Baptist churches

in Boston has also increased.

Dr. Adams' audience gave him a

warm vote of thanks.

In the afternoon, the assessment of

the church was administered.

The assessment of the church

was \$1,000.
